Jon Naudi

Honoring you for your

Service to the Veterans of Orange County

On behalf of the County of Orange, I am proud to recognize you for your service to the military veterans of our county as a Veterans Legal Institute Volunteer. You have served a vital need in one of our most important public-private partnerships. Staffing 85 pro bono legal clinics, filing over 500 VA claims and discharge upgrade petitions, supporting hundreds of housing cases, family law actions and hundreds of other legal matters every year, you and your fellow volunteers provide for the welfare of our county's most vulnerable heroes. Your volunteerism is in keeping with the very best of our country's patriotic traditions and greatly appreciated by this county. Thank you and congratulations!
